Dear Mr PHILLIP!

my name is: Vang van Canh

Nam Bo branch leader - Nam Det primary school.

First, on behalf of the teachers and the students I would like to say thank you very much for your help and what you did to our school!

Dear Mr!

After the time you visited our school, unfortunately our school was broken by the mud ~~st~~ landslide. All of the class room of the little pupils was broken and covered inside the mud.

Our school reported to the local government and reported to Bac Ha education office. But perhaps the government still poor that why until now, we don't get any help from any one.

Our school is really difficult, we are in a very difficult condition.

For example: we don't have enough class room, tables, chairs. We have to borrow a little house from the local house nearby to be class room even though it is very small, uncomfortable, not enough site.

Dear Mr!

Since you've visited we got warm clothes, book's bags. Mr TRAN CHI THANH also help 500.000 VND. We used that money to buy equipment for fixing the roof of the local house which ~~we~~ is borrowed by us.

We also got 4.800.000 VND a few week ago. We used that money to buy 5 pair of tables and chairs for our school and gift for the student on the occasion of Tet.

One again thank you for your support! We really want to have more help if it is possible!

On the occasion of new year we wish you are heartily and good business!
